## FULTON SHEEN, FATIMA & THE FATE OF THE FAMILY

*“Fulton Sheen isn’t done with us yet! His life and message show us that LIFE IS WORTH LIVING. His beatification will be a powerful moment of grace, and a call from God to relook at his work. And there’s no better man than Peter Howard to help your people tap into this moment! He’s the expert on Sheen, and more, how to apply his message to life today.”*

**ARCHBISHOP FULTON J. SHEEN** was the most electrifying Catholic preacher of the 20th century. Even more, he has proven to be one of the most important prophets for our times. Sheen’s wit and wisdom has only grown with each year. He was not only the *Apostle of the Airwaves*, but a spot-on watchman of the “signs of the times.” Seventy years ago, he held millions captive with his *Life Is Worth Living* television show and countless radio interviews and books. And now in our troubling times which he predicted, people are flocking back to his wisdom and advice as they seek to rediscover how to live a life worth living and bring this confused world back to God.

**DR. PETER HOWARD**, the world’s leading expert on Fulton Sheen and founder of the Fulton Sheen Institute, is booking a limited number of speaking engagements for 2022.

Today, every Catholic family is at a critical decision point that will affect the very fate of America and the world. As St. John Paul II put it, “As the family goes, so goes the nation and the whole world in which we live.” That’s why now is the perfect time to host Dr. Peter Howard’s inspiring and empowering event “War and Peace: Fulton Sheen, Fatima & the Fate of the Family.”

Whether you choose the 3-hour event or the day retreat, Dr. Howard will engage you and take you right to the heart of what he calls today’s “catastrophic contest” “between Church and anti-Church, Christ and Antichrist” He discusses the enemy we’re up against, the true meaning of freedom, the choice we face in America today, the critical role the Eucharist must play in turning America back to God, and the central role Our Lady of Fatima plays in bringing the world back to God and ushering her promised “triumph” and unprecedented “era of peace.” Sheen gives us the blueprint for total victory.

You will leave this dynamic event enlightened and empowered to lead your family through these dark times and defeat the evils attacking us.

**Dr. Peter Howard** holds a doctorate in sacred theology from the Angelicum in Rome. He is founder of the Fulton Sheen Institute, author of *The Woman* — the authoritative book on Fulton Sheen’s Mariology — and has traveled internationally, helping others discover this future saint. He is the host of the podcast “The Catholic Patriot” and has been featured on Catholic television and radio programs such as EWTN, Catholic Answers Live, the Patrick Madrid Show, CatholicTV, Shalom World, Radio Maria, and Relevant Radio. Dr. Howard and his wife Chantal are Catholic Life and Marriage Coaches and also the founders of Heroic Families.
