## SPEAKING ENDORSEMENTS

"Fulton Sheen isn't done with us yet! His life and message show us that LIFE IS WORTH LIVING. His beatification is a powerful moment of grace, and a call from God to relook at his work. And there's no better man than Peter Howard to help your people tap into this moment! He's the expert on Sheen, and more, how to apply his message to life today."

**— Chris Stefanick, Real Life Catholic, REBOOT event**

"There is scarcely a talk I've given in the last 25 years in which I haven't quoted Archbishop Fulton Sheen. It's an honor for me to recommend the work of Dr. Peter Howard, one of the world's foremost experts on Sheen. He's an inspiring speaker who knows the life and wisdom of this great evangelist inside and out, and he is effective in showing how needed the teaching of Fulton Sheen is to transform our culture into one of life and hope. If you're looking to introduce your parish to this future saint in an inspiring, challenging and humorous way, I can't think of a better person for you than Peter Howard."

**— Christopher West, President of the Theology of the Body Institute**

"There is a significant reason God has timed Fulton Sheen's beatification for this critical hour of history. Sheen understood our times better than we do and knew the remedies that will restore our culture back to God. And Dr. Howard understands Sheen better than anyone I know. A powerful way to be a leader in today's Catholic world is to bring Dr. Howard to your community and listen to Sheen's prophetic wisdom reawaken and reignite your soul for Christ."

**— Fr. Nathan Cromly, CSJ, President of the St John Institute**

"Dr. Peter Howard's knowledgeable presentations on Venerable Archbishop Fulton Sheen give testimony that Fulton Sheen is truly a prophet for our times. There is probably no one in America who can better articulate both the life and message of Archbishop Fulton Sheen than Dr. Peter Howard."

**— Fr. Ivan Nienhaus, Pastor, St. Patrick Parish, Cedar Rapids, IA**
